Information About Kaya Residence:

Kaya Residences is a G+3-storey deluxe residential building measuring approximately 90,000 sq.ft. in total built-up area. Overview of International city. International City is destined to become the business and cultural hub of the Middle East and surrounding regions. This unique 800 hectare development combines an exotic mix of commercial, residential, retail and tourism elements from different parts of the world. The name is derived from the Residential District which encompasses a variety of country-specific architectural themes that add to the international essence of the project. The project comprises of five main districts including the Central Business Distict, Residential District, Lake District, Dragon Mart Complex and Forbidden City.
