Information About Jumeirah Heights (Village Centre):

Jumeirah Heights links the low-level skyline of Jumeirah Islands to the shoreline of New Dubai. Separated into three different residential districts Jumeirah Heights caters to every lifestyle. The Village Centre offers residents ready access to its scenic promenades where cafés and restaurants spill out onto the walkways. The centre of the Jumeirah Heights accommodates the supermarket, bank, pharmacy and many more convenient stores. This community hub also offers residents a private gym, swimming pool and play area for the kids. The Clusters feature generously spaced low-rise buildings, affording extravagant waterfront views. Positioned on either side of the Village Centre, and in front of The Fronds, each complex includes a unique mix of lofts and duplexes. The Fronds offer spectacular views. Set within impressive lakes, behind the Village Centre and The Clusters these units feature spacious apartments and beautiful three-bedroom townhouses. Jumeirah Heights is the perfect place for families who love to keep healthy and active.

The Village Centre and each Frond and Cluster have conveniently located activity areas throughout the landscaped gardens to give homes easy access to a vast variety of outdoor activities. Children and grown-ups alike will enjoy the play areas, multi-purpose courts, jogging circuits and cycle trails. The three areas each have dedicated pools and parks for much-needed recreation and relaxation. While each building has a private gymnasium, the community offers a state-of-the-art health club managed and operated by an industry leading third party. Located in the heart of New Dubai, Jumeirah Heights offers residential living in one of the world's most sought after leisure destinations. A short drive away are Jebel Ali's white-sand beaches, world-class golf courses, the bustling Dubai Marina with its superb restaurants, and the vibrant nightlife of Jumeirah's numerous five-star hotels and resorts. New Dubai also is a top-notch shopping destination. Ibn Battuta Mall, one of the largest shopping centres in the region, is just five minutes away by car, while the city of Dubai, a world shopping capital, is just 25-minutes from your doorstep.
