Among Dubai's top notch destination for hotel occupancy, Dubai Marina offers a lot more than being a conventional landmark. Upon completion of its project in the next five years, Dubai Marina will be one of the world's largest waterfront developments. Consider as one of Dubai's mega-projects, it features 250 berths for boats, luxurious hotels and elegant residential apartments. Dubai is fast becoming the region's most important center for commercial, residential, retail and tourism activities. From within it has quickly expanded to meet the demand of its rapid growth and the incessant market requests for luxury properties. Every fact or figure of each new project in Dubai is nearly always out-numbered or out-bettered by another new project. Dubai seems only to deal the superlatives.

It continually strives to break as many records as it can in terms of 'tallest', 'largest', or simply, 'fast'. Dubai is exceptional; it is exciting; it is energetic; it has a vibrant pulse. The KPM TOWER is strategically located in the exclusive Dubai Marina reclamation area. Easy access to the scenic nearby beach from with its exclusive beach clubs and golf courses, the KPM TOWER offers you the best of both worlds. Shopping centers and luxury hotels are conveniently located in the neighbourhood, giving you both the tranquility of the sea and the bustling of what makes Dubai Marina. They are a statement, with their seamless stainless steel kitchen, wonderfully appointed interiors and bathrooms by Bisazza. The tower features studios and one bedroom apartment, comfortably designed to accommodate couples and small families.
