Information About The Channel Towers:

The Channel Towers have floor plans designed for modern living, in a variety of sizes, ranging from one to three bedroom apartments. All are spacious, and the two and three bedroom apartments are available, in single level, or duplex units. The Channel Towers can be your starting point or a destination in itself - the perfect place to be as active or relaxed as you want, when you want. All the residences have either shaded balconies or terraces that allow for thorough enjoyment of the magnificent Gulf and coastal views. Only the finest materials and finishes, combined with exquisite craftsmanship, are used throughout. The Channel Towers are designed to orient towards The Waterfront. At the Tower's base is a multi-level podium structure, which houses the main car park at its lowest levels as well as many resident amenities, including a running track, a retail mall, and a swimming pool. Amidst the serene landscaping are many fine shops and restaurants.
