Information About Escape Ajman:

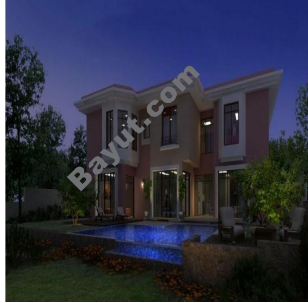

Your love for art, beauty and adventure acquires new meaning at Escape, an enticing freehold residential community in the idyllic emirate of Ajman. Named after the World Champion Arabian Stallion, Escape Ibn Navarrone, this project is a horse and sports lover's delight, promising a healthy and carefree outdoor lifestyle. Escape Ajman facilitates a true escape to tranquility, perfectly balancing fast-paced modern living with nature's beauty and vibrancy of equestrian experiences.

The Residences at Escape will be within an exclusive gated community that combines homes and apartments, each with their own character. The Arabic and Mediterranean inspired architecture and floor plans are unique to the region and will offer the best of country and outdoor living with beautifully landscaped gardens, terraces and balconies. The Residences at Escape are not exclusively for the horse-lover, it offers a whole new world of nature, sports and outdoor activities, full of family fun and entertainment. Horseback riding, biking, jogging trails and pathways set in contoured valleys throughout the entire property gives a truly country air to the community.

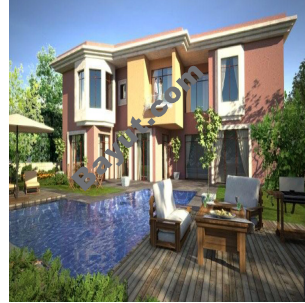

Escape provides residents with a new type of lifestyle unlike any other. The villas will be located within a carefully landscaped park setting which has a zone of valleys to be used exclusively for bridal paths, jogging and exercise trails. Offering a choice of semi-detached, medium and luxury, in three and four bedroom configurations, the elegant villas will have an appealing, exciting fusion of Arabian, Ottoman and Mediterranean influences. Maintaining our design intention of keeping the utmost luxury and comfort in mind, all villas will incorporate high quality amenities to meet the expectations of 21st century living. Large terraces and balconies will further enhance the enjoyment of the tranquil Escape environment, removed from the fast-paced buzz of the city. This novel residential community of today is influenced by the beauty of the past.
