 Information About Marina Mansions:

Marina Mansions affords an entirely new outlook with modern benefits to international standards: Two large swimming pools, multi-purpose sports court, panoramic gymnasium, separate male & female saunas and steam rooms, jacuzzi, squash court, large function room, barbecue area, children's play area and swimming pool. The services offered at Marina Mansions compare with 5 star hotels: resident visa with each apartment, 24 hour security, valet parking, manicured gardens, on-site post boxes, dedicated demarcated covered parking bays, bicycle parking and storage in the parking area. Add to this the sea, gulf, marina and golf course views and, in terms of luxury and lifestyle, there is very little to compare as an ideal place to live. Marina Mansions is a futuristic 30 storey residential tower with luxurious difference in living space, standard of finish, facilities, and views. The amenities offered to residents are on par with most 5 star hotels and the pool deck and recreation areas are set to become benchmarks in residential property development.
