Information About Zen:

The epitome of serenity, harmony and simplicity, this community offers real food for the soul. Its clutter-free landscaping features an artful mix of materials, all of which work together to create far more than just a living space. This cocktail of top quality apartments, simple landscaping and rock, sand and water features inspires a sense of stillness and calm where the mind can be opened and the imagination freed, making it the perfect place to unwind after the whirlwind pace of an intense day in the office. Recognising that leisure is a key aspect of the perfect lifestyle, our commitment to offering you the ideal home doesn't stop at providing beautiful apartments and superb gardens. Laid out amongst the 291 buildings, more than 30% of Discovery Gardens is reserved purely for landscaping, which ensures all residents can enjoy plenty of outside space as we cater for their varied needs.

Within the six kilometre length of Discovery Gardens you can enjoy a wide range of family-oriented amenities including 13 community swimming pools - 12 of which will include special children's pools - plus tennis, basketball and volleyball courts, gyms, a football pitch, cycling and jogging trails, mosques and extensive undercover parking. Across the road, Ibn Battuta Mall offers residents a choice of 250 shops, the region's largest cinema complex featuring 21 screens and an IMAX cinema, an enormous Géant supermarket, more than 30 restaurants and food outlets and the exceptional facilities of a Fitness First Gym, the first of its kind in Dubai. With other neighbouring developments including Nakheel's low-rise residential community, The Gardens, the open views from Discovery Gardens offer a horizon uncluttered by any industrial or high-rise buildings.
