## Information About Persia:

Land of exquisite carpets, empire builders, the ancient cities of Bam, Shiraz, Esfahan and Tehran, the Emam mosque, Xerxes' Gateway, storytellers, the Throne of Jamshid, the legacy of Persian history and the enduring popularity of its art has filtered through to every corner of the globe. All around the world, Persian carpets are a symbol of this country of magnificent ruins, glorious mosques, poetry, museums, calligraphy and paintings. International City's 'Persia' stands in the heart of the residential district. With two, three and four storey buildings decorated with traditional Islamic domes and wide-spaced arches and windows, these peach and blue coloured facades lend the neighbourhood a most distinctive character. International City's unique design has attracted strong interest from a variety of leading retail outlets, and the development will feature 5,000 shops, some of which will be located on the ground floor of certain residential blocks. Other facilities include three schools, several entertainment facilities and outdoor theatres.

Restaurants, medical centres, a post office, police station and transportation services; and a huge parking area will also help ensure a high standard of living and utmost convenience for residents. The neighbouring DragonMart Complex comprises eight fully equipped warehouses offering customers the widest range of Chinese goods outside mainland China. Packed with every conceivable retail product for both the trade and consumer markets, it serves as a permanent exhibition and commercial venue for over 3,000 Chinese companies to display and sell their wares. A tourist attraction in its own right, the complex will house showrooms, shopping areas and restaurants. The neighbouring 12 million square foot Dubai Design Centre is aimed to be a world-class central hub for all products designed to improve both internal and external spaces, including everything from furniture and kitchenware to building material and supplies. DDC will also offer attractive residential and commercial opportunities.
