Information About Mogul:

plendour, beauty and symmetry form the cornerstone on which this community is built, reflecting the Moguls' imperial tastes and fascination with art and architecture. Empire builders to the last, great emphasis has been placed on creating imposing yet peaceful garden havens, filled with exotic fruit trees, beautiful wild flowers and an imaginative mix of domes, arches and courtyards. This garden is designed to reflect everything that is beautiful and majestic - the perfect place to find the inspiration to realise your dreams. Recognising that leisure is a key aspect of the perfect lifestyle, our commitment to offering you the ideal home doesn't stop at providing beautiful apartments and superb gardens. Laid out amongst the 291 buildings, more than 30% of Discovery Gardens is reserved purely for landscaping, which ensures all residents can enjoy plenty of outside space as we cater for their varied needs.

Within the six kilometre length of Discovery Gardens you can enjoy a wide range of family-oriented amenities including 13 community swimming pools - 12 of which will include special children's pools - plus tennis, basketball and volleyball courts, gyms, a football pitch, cycling and jogging trails, mosques and extensive undercover parking. Across the road, Ibn Battuta Mall offers residents a choice of 250 shops, the region's largest cinema complex featuring 21 screens and an IMAX cinema, an enormous Géant supermarket, more than 30 restaurants and food outlets and the exceptional facilities of a Fitness First Gym, the first of its kind in Dubai.
