Information About D 1 Tower:

The artistry of the craftsmen of Dubai, and the traditional forms of the region's fishing nets, provide inspiration for the geometry of D1's podium canopy. The materials and timber construction are reminiscent of the deep-sea dhow vessels associated with the Gulf region and its waterways. The resultant shade structure, so evocative of the Mushrabiya (Arabian screens), pays authentic homage to local tradition, as the towering form of D1 rises above the life-enhancing shade of the canopy. Inspired by Q1, the world's tallest residential tower. Visually stunning and architecturally significant buildings, created from an audacious blending of passion and vision, underpin Sunland's reputation for design innovation. Landmark developments, like the sculptural masterpiece Q1, combine both conceptual brilliance and technical virtuosity. Now, passion and proficiency are the intertwined attributes that give rise to the ultra-modern structure of D1, in the United Arab Emirates.

D1 will enhance the built environment by fusing rich Middle Eastern heritage and culture with today's technology, quality and modernity a stunning 80 storey residential tower, rising 284 metres on the premier site of the Dubai Creek cultural and artistic precinct. 9 high speed lifts (express lifts to levels 41 and above), sister Building to the World's Tallest Residential Tower Q1 in Gold Coast, Australia, project value 650 mil AED. Gathering places and private spaces, D1 will provide many quiet corners for relaxation or congenial meetings. In the lobby, the cool and comfortable Café Lounge will be a favourite place to entertain friends or simply sit and linger. Exclusive Residents facilities: Residents will enjoy privileged access to a skyrise lounge and fully equipped private cinema, an indoor pool, gymnasium, juice bar and kids club, as well as a business centre with boardroom, meeting areas, separate offices and function room. A permanent concierge service, ready to meet every need from stocking your fridge to ordering fresh flowers, will be just a phone call away.
