## Information About Green Community West:

Following the success of Green Community, another development is now under way, Green Community West. Built on a hundred hectares, one is spoilt between a choice of large seven thousand square foot luxury villas, each boasting six bedrooms. Next, there are the five thousand, eight hundred square foot family villas, or for those requiring less space, four thousand foot four bedroom bungalows. Naturally there is a good selection of one or two bedroom apartments; with either one or one-and-a-half thousand square footage. Nestled in a tranquil, traffic-free environment with cobbled roads, pleasing walkways, manicured gardens and acres of open space, Green Community West is sprinkled with recreation centre and every other element required for idyllic community living. It's a place to relax, and enjoy the serenity of natural beauty.
