Information About Al Sharq Tower:

The 102 storey Al Sharq Tower, designed by internationally recognized skidmore, Owings & Merrill (SOM) is a unique mix with an iconic form, ingenious structure and spatial qualities of sky high living. The purity of its form, as eight cylinders defined by a spiraling filigree structure, will be a timeless and elegant marker on Sheikh Zayed Road in Dubai. The tower contains 268 three bedroom, four bedroom and penthouse changing profile will shimmer as a beacon of light. In the design of the tower, SOM has once again surpassed expectation by creating an exceptional design and once again surpassed expectation by creating an exceptional design and extraordinary structural innovation.

The curvaceous tower will offer each room an exclusive spatial experience with columns-free interior space, high ceilings, and spectacular panoramic views, the epitome of luxury high-rise living. Two zones of amenit floors, one right above the lobby and the second one at the penthouse level, offer the ultimate in luxury services. The building amenities include a world-class spa, health culb, pools (lap pool & swimming pool) entertainment rooms, private screeing rooms, play rooms and day care facilities. Every detail of the Al Sharq Tower has been carefully considered, including an outomated parking structure that will park your car for the ultimate in convenience.
